

School of Zafferana Etnea

Circolo Didattico di Zafferana Etnea

The [school of Zafferana Etnea](#) follows the growth of its pupils making them aware and protagonists of their learning and education through specific way for thei capacity.

It promotes the wellness of the child: corner of reading in each classroom where children can talk and be listened in addition to programs of support for uncomfortable situations.

It gives a great importance to the art, music, travel, interculture and reading. It is ready to organise the 8th edition of the "Book Party": the event where pupils, writers, illustrators and publishers can attend workshops, animated reading, creative writing, meeting with the authors.
